

Certificate III in Rural Operations

AHC32822

Take the next step toward steady, practical work with the Certificate III in Rural Operations. This course is designed for hands-on, practical learning providing the skills and knowledge to work confidently in agriculture, machinery operation, conservation, or general rural support roles.

Learn by doing. Work with purpose. Build a career that takes you anywhere.

No licensing, legislative or certification requirements apply to this qualification at the time of publication. Training can be delivered at either our Wodonga - McKoy Street site or our Shepparton - Wanganui Road site.

Units of competency
