CR LOWER HUME VDSS CLUSTER

Certificate II in Plumbing (Pre-apprenticeship) (VDSS)
COURSE CODE: 22569VIC

(Partial completion)

Description:

Interested in a hands-on trade where no two days are the same? The Certificate II in Plumbing (Pre apprenticeship) is designed to give you a strong introduction to the plumbing industry and prepare you for an apprenticeship.

You will learn things like:

- Working safely as part of a team
- Measuring and calculating
- Using basic industry terminology to communicate effectively
- Producing simple technical drawings
- Using basic welding equipment
- Using plumbing pipes, fittings, and fixtures to simulate plumbing installations
- Read and interpret plumbing plans and specifications
- Safely select and use plumbing tools, materials and equipment
- Measure, cut, bend, and join piping systems
- Install and test fixtures such as toilets, sinks, and water tanks
- Work with roofing materials and basic sheet metal tasks
- Understand the fundamentals of gas, water, and drainage systems
- Apply workplace safety and environmental sustainability practices

Does this sound like you:

- Enjoy physical outdoor work and have a practical mindset
- Are physically fit
- Are comfortable with manual labour and working in all weather conditions
- Have good hand-eye coordination and spatial awareness
- Are confident working at heights and with tools
- Can follow plans, instructions, and technical drawings
- Have a sound understanding of mathematics (for measuring, calculating angles, quantities, and quotes)
- Are reliable, safety-conscious, and keen to learn new skills
